Special Requests:

General Agreement

Payments:
All Contracts require a Non-Refundable Deposit of 50%. All contracts are required to be paid in full 30 days prior to the scheduled date of your event. Prior to 30 days before event date, your balances may be paid by cash, personal check, business check, certified check, or Credit Card. If paying by CC, your CC will be run for all balances 30 days prior to event date. Within 30 days of your event personal checks will no longer be accepted. There is a 3% convenience fee per Credit Card transaction, and we do not accept AMEX.

What is allowed in a Camelot Vehicle?
Smoking of any sort, the use of controlled substances, or illegal drugs is not allowed in Camelot's vehicles, as it is violation of NYS Public Health Law Section 1399-0 Article 13E. Consumption of alcoholic beverages is not allowed by any person under the age of 21. Please remember, if it is illegal outside the vehicle, then it is illegal inside the vehicle. Horse-playing, fighting, opening windows, hanging out of windows, or discarding garbage from the vehicle is not allowed. This allows your chauffeur to safely operate the vehicle for your guests and other vehicles on the roadway. Violation of any of the above can result in immediate termination of your event without refund. Camelot Limos is not responsible for lost, damaged, or forgotten property and/or personal belongings.

Proms & Sweet 16's:
Alcoholic Beverages are never permitted in a Camelot vehicle on Prom night, even if there is a passenger who is 21 years or older in the vehicle. If alcoholic beverages, controlled substances, or illegal drugs are found in the vehicle or on any of the passengers, the ride will be immediately terminated without refund. Intoxicated passengers apparently under the

influence of alcohol or drugs will not be permitted in the vehicle, and will be asked to leave the vehicle if already boarded; the Camelot Chauffeur will wait on-site until other transportation arrives for that passenger if time allows. The privacy partition must stay in the down position at all times on limousines.

Fleet:
Camelot reserves the right to send a substitute vehicle from the same vehicle class in the following scenarios: (1) mechanical or technical problems, (2) Inclement weather such as Snow, Sleet, Hail, Icy Roads, heavy rain storms, etc. All of Camelot's vehicles are rated to carry a maximum number of passengers, and Chauffeurs will only allow the passenger count to match the Reservation, not exceeding the max count for the vehicle as mandated by NYSDOT.

Service Disruptions:
If a mechanical, maintenance, perceived safety, or related service issue causes passengers to arrive more than 15 minutes after the contracted time, Camelot will reimburse the cost of replacement transportation (Uber, Lyft, taxi, or other ride-share service) and, with written submission and management approval, refund up to 50% of the Contract amount. Any refund of the Contract amount is at management's discretion and will depend on the severity of the incident. If the contracted vehicle becomes disabled, a replacement vehicle will be dispatched immediately. These accommodations do not apply to delays of 15 minutes or less.

Cancellations:
All Cancellations must be received in writing within 60 days of the event to be considered for Deposit Refund. All Refunds and any exceptions are subject to management approval. There are no Refunds for cancellations due to inclement weather or acts of God; in these cases a lifetime credit will apply. An admin fee of $400 will be applied to all Cancellations.

OT:
Camelot vehicles are reserved and used by the hour. We have flexible pricing plans, and will work with you routing and mapping of your timeline for your event. As you know, Buses do not travel on NYS Parkways, and do not travel at the same rate of speed as personal vehicles. OT charges will start accruing at 31 minutes after your Approved Contract ending time, being billed in 1-hour blocks. OT rates will be shown on your Contract.

Credit Card Hold:
A CC is required on-file for all Contracts; with a signed Credit Card Authorization form, you authorize Camelot Limos to charge this CC for Balances due, any accrued Over-Time, or any excessive cleaning, or damages to the vehicle that occurred during your event. The Over-Time rate is listed on your Contract. All Camelot vehicles are equipped with GPS Tracking & Recording System that provide recorded details of our vehicles at all times. This Tracking System will be used to determine if any Over-Time has occurred. Grace periods of 15 minutes are applied to each Reservation, and day-of circumstances will also be considered. A $350 damage fee will be charged to the CC on file if any passenger vomits, creates an unusual mess in the vehicle, or damages the vehicle. If repairs exceed the $350 fee, full repair charges will include the damage fee credit, and invoices supporting these charges will be provided.

Customer Approval:
All Camelot Reservations require a Signature (wet sign or e-sign) indicating agreement with Terms and Conditions and approving the Routing/Timing/pricing of the vehicles as represented on your Reservation number. If provided with a Reservation Manifest, a singular signature will act as coverage for each Reservation in your Contract Package.
